CASE NO. 2:16-CV-00535
(LEAD CASE)

UNOPPOSED MOTION FOR EXTENSION OF PAGE LIMITATION

Non-Party Michael Eiffert (“Dr. Eiffert”), requests an extension of the 15-page limit for non-dispositive motions provided by Local Rule 7(a)(2) with respect to his response to Defendants’ Motion to Joinder, Docket 182, and in support respectfully shows the Court as follows.

The deadline for Dr. Eiffert’s Response to Defendant’s Motion for Joinder (the “Response”) is February 21, 2019. To the extent Defendants’ Motion for Show Cause Order, Docket 183, also seeks relief against Dr. Eiffert, individually, the Response will also address the Motion for Show Cause Order. Because the procedural history underlying the issues in both pending Motions is somewhat lengthy, and the issues addressed by the Response are complex and fact-specific, Dr. Eiffert anticipates that the Response will exceed 15 pages.

Accordingly, Dr. Eiffert requests permission for the Response to include not more than 25 pages, excluding attachments.

Defendants do not oppose this Motion.

WHEREFORE, PREMISES CONSIDERED, Dr. Eiffert requests permission to file a Response to Defendant's Motion for Joinder which consists of not more than 25 pages, excluding attachments, and seeks such other and further relief to which he may show himself entitled.

Date: February 19, 2019.

Respectfully submitted,

By: /s/ Charlene C. Koonce
